

Starlight Essence July 2019

62 Wisdom of Destiny

Wisdom of Destiny connects you with your soul path, your destination and your goals. It helps you to bring your divine guidance through making it easier to focus and align yourself. This essence helps you to no longer identify with the past by illuminating your path so that you can see ahead and move forward.

New Levels 2012

Wisdom of Destiny allows access to all heavens and worlds, so that you can embrace your own life-task and your main incarnation goal. This essence now brings these clearly into focus that they may be acted upon.

Daily application in July:

1. Hold the essence with your arm stretched out in front of your solar plexus chakra. From there you slowly bring it to your solar plexus.
2. Repeat for the heart and brow chakra.
3. Lead the essence around your head in a clockwise direction.
4. Place one drop each onto each chakra (lotus to root chakra), both knees and under your feet.
