

Starlight Essence February 2019

26 Mother's Child

Mother's Child connects you with the Divine Mother. It supports you to place yourself quite consciously under her care and protection; and creates a place of safety and acceptance. This essence strengthens your trust as it aligns you to the divine light and enhances your love for yourself. Mother's Child helps you to stop devaluing or judging yourself; and enables you to go through current karmic issues more easily. It brings healing into all mothering issues, including those to do with Mother Earth.

Mother's Child allows you to dive into the new healing levels of the Divine Mother. It grants powerful transformation which can be experienced through your devotion to Divine Mother as she supports the birthing process of your own light and light-form on Earth. Special support within the causal body can now be experienced enabling you to dive into the new Shakti energy. The flow between nourishing and being nourished is enhanced.

Daily application in February:

- 1. Place three drops into your right hand and put your right hand onto your liver. Hold the essence with your left hand stretched out in front of your spleen, and from there slowly lead it towards your spleen. Then hold it stretched out before your solar plexus and from there lead it to your solar plexus.
